Property Features

- This 1.76 parcel of land is in the growing southern area of Greensboro near the I-85 interchange
- It is located directly on S. Elm-Eugene Street with an existing curb cut providing a full access intersection across from Vivian Lane with existing left turn lanes in both directions
- It is a stand alone parcel, not in a regulated development
- The area is a highly commercialized area with Walmart, Lowes Home Improvement, Cracker Barrel, a state employees credit union and numerous other fast-food restaurants and commercial businesses. A new Amazon facility is in the works just south of this property past the Tractor Supply
- There are 2 tracts making up the 1.76 acres. The larger tract is 3800 S. Elm Eugene. It has not been annexed into the City; therefore it would require annexation and rezoning for any kind of commercial use. The smaller tract is in the City limits and is zoned R-5. It too would require rezoning

Potential Uses

- Stand alone retail building or small retail strip center
- Bank (or similar use)

- Restaurant without drive-thru

The uses recommended above may be more favorable to the neighborhood directly behind the property. Any other uses, such as a service station or restaurant with a drive-thru should be vetted with the City of Greensboro prior to a potential buyer considering this property.
